Income Double / Half the Trouble

If you're an entrepreneur, consultant or professional and you're stuck in a rut or have hit a plateau, it's time to make a giant shift in your success. You CAN earn more money, more easily, doing what you love to do.

- **Are you working too hard and not having much fun anymore?**
- **Are you ready to stop running around like crazy?**
- **Don't you deserve the money, free time, and hassle-free life you dream of?**

Enjoy Positive Energy and Productivity Every Day – ALL DAY

Income Double/Half the Trouble will be your launching pad by helping you:

- Eliminate the obstacles, energy drains, and other troubles that interfere with your success.
- Replace the limiting beliefs and fears that hold you back with a confidence that propels you forward.
- Put a few key practices into action right away.
- Enjoy higher standards and build more meaningful, profitable relationships.
- Attract and manage ideal situations for the income and lifestyle you want and truly deserve.

Jonathan Flaks, M.C.C.* Business Success and Team Leadership Coach specializes in motivation, productivity and team dynamics. He is the author of "*Who Are You, Inc., - Bring Out Your Best In Business*" and "*Income Double/Half the Trouble.*" With a diverse 20-year business background, Jonathan has served individuals and groups from Disney, Goldman Sachs, IBM, BMG Entertainment, Cornell University, KPMG, NBA, The United Nations, Morgan Stanley and many entrepreneurial endeavors. Jonathan holds a dual degree from Cornell University and has been an adjunct professor of business planning, leadership and coaching skills at New York University. He founded and is lead facilitator for IAC (Infinite Achievement Circles) and founded the Westchester chapter of the International Coach Federation.

* MCC = ICF Master Certified Coach. Full bio available at www.jfcoach.com
