Inspiring Confidence in Challenging Times

These days it's harder than ever to stay upbeat, motivated and focused. In a changing economy, people struggle as the usual opportunities are drying up and drifting away. There are new **opportunities**, but they are harder to find and secure.

- Do you need **extra creativity, resourcefulness** and **confidence**?
- Are you feeling overwhelmed and need to be **motivated**?
- Do you want to be a greater **source of inspiration**?

Enjoy Positive Energy and Productivity Every Day – ALL DAY

Join this lively discussion and you'll come away with:

- Some key distinctions about challenges that lead to inspiration and greater confidence.
- How to deal with any fear or uncertainty so you are empowered and working smarter every day.
- How successful people stay motivated under any circumstances.
- Hidden, critical secrets about creativity and resourcefulness that you'll need to face any situation.
- How to bring out your best self to bring out the best in others – and how the people you inspire bring out the best in you.
- PLUS questions and comments from you and other participants.

Jonathan Flaks, M.C.C.* Business Success and Team Leadership Coach specializes in motivation, productivity and team dynamics. He is the author of *"Who Are You, Inc., - Bring Out Your Best In Business"* and *"Income Double/Half the Trouble."* With a diverse 20-year business background, Jonathan has served individuals and groups from Disney, Goldman Sachs, IBM, BMG Entertainment, Cornell University, KPMG, NBA, The United Nations, Morgan Stanley and many entrepreneurial endeavors. Jonathan holds a dual degree from Cornell University and has been an adjunct professor of business planning, leadership and coaching skills at New York University. He founded and is lead facilitator for IAC (Infinite Achievement Circles) and founded the Westchester chapter of the International Coach Federation.
